

And the Award goes to....
Amy Keller, O.D.
2009 Distinguished Alumni
Reed City High School
Tonya Harrison, Assistant Principal, RCHS

Each year Reed City High School selects an alumnus who exhibits a resume of caliber that demands the attention of the Reed City community. For the 2008-2009 school year, Reed City Area Public Schools is honored to bestow the honor on Dr. Amy Keller, O.D. After graduating in 1984, Dr. Keller has gone on to lead a life where she directly impacts the lives of people throughout the Reed City community.

Amy Keller completed her undergraduate work at Ferris State University in 1986. She continued her education at the Ferris State University College of Optometry earning her Doctor of Optometry degree in May 1990. During that time, she held internships at two Veterans Administration medical centers; one in Lexington, Kentucky and a second in Saginaw, Michigan. Her third internship was completed at Ferris State College of Optometry. During her time at Ferris, Dr. Keller belonged to numerous professional organizations, as a student member, including the Michigan and American Optometric Associations.

After completing her Doctoral program, Dr. Keller went into private practice with two other associates in Big Rapids. Currently, Dr. Keller holds a practice in downtown Reed City. She is a clinical faculty member at Ferris State University College of Optometry. Dr. Keller has continued her memberships to professional organizations, showing her desire for continued learning and growth. She serves on the Optometry Alumni Association Board of Directors and has been the chairperson of the Osceola County Chapter of the American Family Association.

Although Dr. Keller is a member of many distinguished groups and has proven herself as a competent and professional optometrist, throughout the Reed City community she is known as a favorite eye doctor and active member of her church. She gives back to the community by sponsoring school projects and community events. Dr. Amy Keller has dedicated her life to helping those who surround her, through her practice and by giving back to her community. Reed City High School is honored to have Dr. Amy Keller named the Distinguished Alumni for 2009.
